

# Classic

700 ml

Medium-sized in an elegant, classically stylish design. The large printing area makes it easy to place your brand profile all over the bottle. Very popular in the office and the gym, and with its flexibility it's easy to use in all situations. Fits most bicycle bottle-holders.

**Material:** Standard, soft or bioplastic

**Height with cap:** 226 mm

**Cap:** 45 mm Push-pull included as standard,  
45 mm K2 (pictured) available as an optional extra

**Printing options:** Contact us for information

**Diameter:** 75 mm

**No./bag:** 150. We also offer other packaging solutions

# Ladynette

500 ml

Small and extra flexible, as well as giving you a large printing area for your brand profiling. That, coupled with its fresh-looking design, makes it ideal for special events and as a give-away. Very popular for all types of exercise and to use at work.

**Material:** Standard, soft or bioplastic

**Cap:** 32 mm Push-pull included

**Diameter:** 65 mm

**Height with cap:** 226 mm

**Printing options:** Contact us for information

**No./bag:** 216. We also offer other packaging solutions

# Binibottle

1 000 ml

The extra little refill hole makes filling this bottle easy, even under a washroom sink faucet.

Because of its extra unique side refill hole, it fits even under a washroom sink faucet for smooth and easy filling. Large volume, sporty design and a slimmed-down hand grip make this a popular product for all exercise situations.

**Material:** Standard, soft or bioplastic

**Height with cap:** 269 mm

**Cap:** 32 mm Push-pull included

**Printing options:** Contact us for information

# Emboss

500 ml

Small, robust and with lots of attitude, providing all the options for brand exposure. Apart from good printing areas, it can be embossed on the large hand grip. Sits perfectly in the hand and makes a guaranteed impact as a give-away. Launched in 2010, it was an immediate success.

**Material:** Standard, soft or bioplastic

**Cap:** 45 mm Push-pull included as standard, 45 mm K2 (pictured) available as an optional extra

**Diameter:** 70 mm

**Height with cap:** 203 mm

**Printing options:** Contact us for information.

# Small

# 500 ml

Compact and really handy. As good for an exercise session as it is for everyday use. The maximum printing area invites brand profiling and the small size makes it easy to take along. Developed in collaboration with Swedish cycling specialists and fits perfectly into most bottle-holders.

**Material:** Standard, soft or bioplastic

**Height with cap:** 180 mm

**Cap:** 45 mm Push-pull included as standard, 45 mm K2 (pictured) available as an optional extra

**Printing options:** Contact us for information

**Diameter:** 75 mm

**No./bag:** 150. We also offer other packaging solutions

# Team range

1 000 ml, 750 ml, 500 ml

The Team range consists of sport bottles in three different sizes. Generous print areas and an ergonomic design with a grip that is ready for action makes the range ideal for all contexts within clubs, in shops and as give-aways. The range is being supplemented with our Team Shaker (900 ml).

**Material:** Standard, soft or bioplastic

**Cap:** 45 mm Push-pull included as standard, 45 mm K2 available as an optional extra

**Diameter:** 75 mm

**Height with cap:** 270 mm (1 000 ml), 235 mm (750 ml) and 207 mm (500 ml)

# Team Shaker

900 ml

Our first shaker optimizes distribution of the powder thanks to small spikes inside the bottle. At the same time, the cap breaks up any lumps so no traditional filter function is necessary. That makes the shaker easy to clean and more hygienic. The Team range also includes three different volume sizes of sport bottle.

**Material:** Standard or bioplastic

**Cap:** Fitted cap included as standard

**Diameter:** 90 mm

**Height with cap:** 210 mm

**Printing options:** Contact us for information

**Qty/box:** 12 with fitted cap

# Caps & extras

Classic Push-pull or K2, made of elastomer and giving a more exclusive feel with optimum function and drinking comfort. Caps and extras to be ordered with the sports bottle.

**Model:** Push-pull 32 mm

**Fits:** Bottle with 32 mm neck opening

**Height:** 35 mm

**Standard colors:**

Contact us for color samples.  
Other colors available at additional cost.

**Model:** Push-pull 45 mm

**Fits:** Bottle with 45 mm neck opening

**Height:** 37 mm

**Standard colors:**

Contact us for color samples.  
Other colors available at additional cost.

**Model:** K2 45 mm

**Fits:** Bottle with 45 mm neck opening

**Height:** 42 mm

**Standard colors:**

Contact us for color samples. Your own color combinations are possible with a minimum order of 5,000.

**Extras:** Tube

**Function:** Bendable extension tube which retains its elasticity, even in cold temperatures. The tube makes the sports bottle extra flexible to use when you're wearing a helmet or similar protective equipment, for example. Simple to fit onto the cap and just as easy to remove.

**Fits:** All Push-pull and K2 caps

**Length:** 115 mm

**No./bag:** 10

**Color:** Black
